

WE MAKE IT EASY FOR PARTNERS TO DELIVER BEST-IN-CLASS MANAGED SECURITY SERVICES

Cytellix provides Channel Partners, VARs, Consultants, Service Providers (MSP/MSSP/ISPs) a competitive advantage with cyber services without increasing internal budgets.

BENEFITS OF PARTNERSHIP

INTERNAL

- ✓ Monthly Recurring Revenue
- ✓ Generous Margin Contributions
- ✓ Marketing Programs & Incentives
- ✓ Partner Specific Webinars & Events
- ✓ Remediation Revenue
- ✓ Add-on Services

EXTERNAL

- ✓ No Agents or Hardware Required
- ✓ Affordable - High Value
- ✓ Best-in-Class Managed Security
- ✓ Training and Support
- ✓ Real-Time Awareness of Cyber Events
- ✓ Private Client Portal
- ✓ Cybersecurity Compliance to Standards

The Cytellix Partner Program delivers the highest value cybersecurity managed services to the small and medium sized business market. We provide our partners with generous channel-friendly terms and margins without investment in resources. The program offers access to expert cybersecurity consulting with enterprise class technology as a managed service, designed for SMBs.

Channel Partners can build a cybersecurity practice without overhead, investment or resources.

THE CYTELLIX PARTNER PROGRAM INCLUDES THE FOLLOWING SOLUTIONS:

- Turnkey Managed Cybersecurity Service
- US-based Security Operations Center (SOCaaS)
 - Managed SIEM (SIEMaaS)
 - Advanced EDR/MDR/XDR capability
 - Vulnerability Scanning & Workflow
 - Continuous 365/24/7 Cybersecurity Monitoring
- Industry Compliance to all Major Cybersecurity Frameworks

ABOUT CYTELLIX

Cytellix is the only SaaS platform that unites compliance, risk management, and managed detection and response + trusted expertise to maximize results, minimize risk and threats, and cut costs. Patented technology offers the flexibility to meet you where you are – whether that's GRC, advanced EDR/MDR/XDR capabilities, BYOL licenses, or the whole solution integrated.

Every security program is unique. We've got you covered.
